

THE ULTIMATE BLEND OF SHARK & MACHINE

SEABREACHER X
**WORLD'S
FIRST**
TOUR OPERATOR

THE TRIP

Operating from our berth in central Queenstown, we'll take your customers on an adrenaline-packed ride on stunning Lake Wakatipu in our Seabreacher X 'shark'. Hydro Attack is the world's first tour operator of this unique semi-submersible watercraft.

It's all about them as they sit back in our state of the art, pneumatic-sealed cockpit and get ready to feel the g-forces. Out on the lake, one of Hydro Attack's friendly and highly skilled drivers will give them an adventure they'll never forget. We can make their personalised 15 minute one-on-one trip as mild or wild as they like and help them push themselves to the limit, flying above and below the crystal clear waters.

Duration: 15 minutes on the water, with private charter options available. Check in is 15 minutes before departure time, allow up to 30 minutes for the whole experience.

Location: We operate from the Lapsley Butson Wharf on the Queenstown lakefront. Check-in is at the kiosk at the front of Perky's Floating Bar by Earnslaw Park.

We provide: Life jackets (mandatory), earmuffs and optional video footage of the trip.

What to bring: Sunglasses, loose clothing, For safety reasons, the use of handheld personal cameras and video cameras are not permitted on board.

Restrictions: Minimum age is 6 years old, we have a height restriction of 193cm and a weight restriction of 110kg.

WEATHER

Trips are weather dependent – a full refund can be given for trips cancelled by weather. Hydro Attack's operation can be affected by wind causing high swell on the lake or stormy conditions and we reserve the right to modify trip times and cancel trips for safety reasons. Please call our free phone number 0508 HYDRO ATTACK (0508 493 7628) two hours before your check-in time for a weather check.

On some windy weather days we now have an option to operate shark rides from our 10-passenger boat, the Aotea and customers booked in for individual shark rides will be given the option to switch to this trip if their schedule allows. Cruise out in the Aotea across stunning Lake Wakatipu to our operating area (an area of the lake sheltered from the wind). Once in position it's time to up the adrenaline. Loading and unloading from the side of the Aotea your customers can enjoy their own experience in our semi-submersible shark then settle back on the boat to watch their friends, family and other passengers have their turn.
